

Dear Friends,

Since 1986, Bethlehem has been a refuge for families who are homeless due to issues with poverty, physical disability, mental health, domestic violence and family breakdown.

Because of friends like you, individuals and families that reach out to Bethlehem for help are supported on their journey to stable housing.

*Marilyn's journey to stable housing began when she reached out to Bethlehem Housing and was connected with a community support worker. Her support worker walked alongside Marilyn and helped to connect her with community based resources that have contributed to her quality of life. One year later, after completing the transitional housing program at Bethlehem Place, Marilyn has the confidence and skills to move forward in life and to live independently in her own apartment within the community.*

Without your support we would not be able to provide the wrap-around support services that enable people like Marilyn to find stable housing and lead fulfilling lives.

*"Becoming blind has made me see things in a different way. Before, I had no reason to smile. Now I smile all the time thanks to my support worker and Bethlehem." – Marilyn*

**Your gift will make a difference!** Each time you donate to Bethlehem you give the gift of stable housing and services to support the personal growth of individuals and families in your community.

With warmest thanks,

John Lee  
Board President
