Wednesday, March 6, 2024
Americana Conference Centre, Niagara Falls

Welcome

Welcome to the 19th Anniversary of Empty Bowls! Proceeds from the event will help us to continue providing supportive transitional and permanent housing for individuals and families across the Niagara region.

Bethlehem Housing and Support Services is a multi-service organization serving the diversified needs of Niagara residents by offering support for individual growth through housing and other focused services. We are the only organization in Niagara offering supportive transitional and permanent housing for women, men and their children with a focus on families who are homeless due to issues with poverty, physical disability, mental health, domestic violence and family breakdown.

For over 30 years Bethlehem has helped thousands of individuals and families in our community stabilize their lives by providing housing and support services to help them break the cycle of homelessness and gain the confidence, skills and health to remain securely housed.
