

Who We Are

In partnership with the community, we provide affordable housing and services to support the personal growth of individuals and families.

Our vision is to create a vibrant, caring and inclusive Niagara where everyone has a home and the support they need to succeed.

What We Do

Transitional Housing Program

A staged approach to supporting our clients in making a successful transition to safe and stable housing. Clients live at Bethlehem Place for approximately one year and are required to participate in support services, including one-on-one coaching with a Community Support Worker and a variety of personal capacity building programs.

Permanent Supportive Housing

Our St. Catharines and Niagara Falls residences provide permanent affordable and/or subsidized housing for individuals and families of low to moderate income. Our on-site support services may include information referrals and connection to community services, social and recreational activities, and advocacy when needed.

Who We Help

We are the only organization in Niagara offering supportive transitional and permanent housing for men, women and their children.

We have a focus on families who are homeless due to issues with poverty, physical disability, mental health, domestic violence and family breakdown.

Support Services & Programs

Community Outreach Support

In-house and community support services for current and former residences, as well as people living in the community. Our Community Outreach Support Workers meet with our clients in the community and work with them to develop a plan for achieving their personal goals.

“The constant support from my workers at Bethlehem Place is the reason I have made it this far. They helped me with my confidence, time management and my overall outlook on life.

- KRISTYN

Personal Capacity Building

Support Programs include housing supports, goal and safety planning, community based life skills for personal development, employability, self-esteem, leadership, mental health, legal matters, anger management, healthy lifestyle, budget and money management, and community based recreational activities.

Child and Family Centre

Our Child and Family Centre and Naturalized Family Park provide opportunities for parents, caregivers and their children to learn and grow through interactive, educational and fun-filled activities.

How You Can Help

Support Us

When everyone has an affordable, safe place to live, the community benefits. We need your help to accelerate our efforts and set more families on the path to health, safety and independence.

Join Us

Volunteers are integral to the success of our organization. Without the loyal support of those who commit to helping us each year, our services would not be possible. To learn about our volunteer opportunities or how you can support us, call our **Community Engagement Coordinator** at:
